Seventy-third session
Third Committee

Organization of the work of the Third Committee

Note by the Secretariat

Allocation of items

1. The agenda items allocated by the General Assembly to the Third Committee will be issued in document A/C.3/73/1. Background information on those items may be found in the annotations to the agenda (see A/73/100).

Programme of work

2. The draft programme of work (see annex) has been prepared bearing in mind paragraph (b) of rule 99 of the rules of procedure of the General Assembly, Assembly decision 72/536 on the programme of work of the Third Committee for the seventy-third session, the agenda of the seventy-third session (A/73/150), the first report of the General Committee on the organization of the seventy-third regular session of the General Assembly, adoption of the agenda and allocation of items (A/73/250), relevant resolutions and decisions adopted by the Assembly on the rationalization of its work and that of the Third Committee, as well as past experience in the utilization of conference services.

Question time and interactive dialogues

3. In accordance with the established practice of the Committee and pursuant to paragraphs 3 (c) and (d) of the annex to General Assembly resolution 58/316 on further measures for the revitalization of the work of the General Assembly, immediately following the introduction of reports, interactive dialogues and a "question time" will be held with heads of departments and offices, representatives of the Secretary-General, special rapporteurs and other special mechanisms as part of the formal proceedings of the Committee. Delegations are invited to participate actively in these dialogues with questions and unscripted comments. The general discussion of each agenda item or cluster of agenda items is to follow the question time.

List of speakers

4. The list of speakers for the general discussion on agenda items allocated to the Committee will be opened on Monday, 17 September 2018.

5. Requests for inscription from permanent missions to the United Nations and observer States for the general discussion on agenda items allocated to the Committee should be sent electronically through the eSpeakers platform. An automated email acknowledgement will be sent within one hour of receipt of the request. Requests for inscription from intergovernmental organizations, entities that have observer status with the General Assembly and entities of the United Nations system that do not have access to the eSpeakers platform should be sent by email to the Secretariat.

Statements

6. Statements made during the general discussion under each agenda item or cluster of agenda items will be limited to 5 minutes for individual delegations and to 12 minutes for statements made on behalf of a group of delegations. Microphones will be switched off automatically after the allotted time. Delegations are invited to dispense of salutary and congratulatory formulas and start their statements with their salient parts. All statements are to be delivered at a normal speaking pace to ensure their accurate interpretation in official languages of the United Nations.

7. Under item 74 of the agenda, "Promotion and protection of human rights", delegations may make one statement under each sub-item, which are to be discussed jointly. In the interest of time, however, delegations are encouraged to make only one statement under sub-items (a) and (d), and one statement under sub-items (b) and (c), or any other combination within the established time limit. Delegations wishing to deliver two or more statements are requested to specify the corresponding sub-item or sub-items for each statement and inscribe on the list of speakers accordingly, and to note that time allotments cannot be aggregated.

8. Under item 72, "Elimination of racism, racial discrimination, xenophobia and related intolerance", and item 73, "Right of peoples to self-determination", which are to be discussed jointly, delegations may also make two separate statements. In the interest of time, delegations are again encouraged to make only one statement within the established time limit.

9. Similarly, under item 110, "Crime prevention and criminal justice", and item 111, "International drug control", which are to be discussed jointly, delegations may also make two separate statements. In the interest of time, delegations are encouraged to make only one statement within the established time limit.

10. In accordance with previous decisions of the General Assembly, delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for the consideration of the relevant agenda item on that day, or at the conclusion of the consideration of the item, if that is sooner. The first statement should be limited to five minutes and the second, if any, to three minutes.

List of documents

11. Attention is drawn to the addendum to the present note (to be issued as A/C.3/73/L.1/Add.1), which will list the documentation submitted under each agenda item expected to be allocated to the Committee.

Conference facilities and meeting arrangements

12. Unless otherwise specified, official meetings of the Committee will be held from 10 a.m. to 1 p.m. and from 3 to 6 p.m. in Conference Room 1 (Conference Building). The General Assembly has stressed that a punctual start of meetings is critical to the efficient utilization of services allocated to the intergovernmental bodies of the United Nations. In accordance with past practice, it is proposed that rule 108 of the rules of

procedure of the General Assembly be waived with respect to the quorum needed to declare a meeting open.

Co-sponsorship of draft resolutions and proposals

13. The initiation and co-sponsorship of draft resolutions and other proposals will be undertaken electronically through the eSponsorship application without prejudice to the possibility offered to delegations of co-sponsoring a proposal at the time of the Committee's action on the latter. To maximize the efficiency of the Committee, however, all delegations wishing to co-sponsor a proposal are encouraged to do so electronically through the eSponsorship application rather than during the formal proceedings of the Committee.

Introduction of draft resolutions

14. In line with efforts to further enhance the efficiency of the Committee, main sponsors of proposals are urged to limit the introduction of their proposals, solely at the time of their consideration by the Committee, to statements not exceeding three minutes. Main sponsors are thus requested not to make a formal introductory statement on a draft resolution upon its issuance as an "L" document, with the possible exception of introductory statements in relation to a new, non-recurrent draft resolution.

Report of the Economic and Social Council

15. In paragraph 4 (c) of the annex to General Assembly resolution 58/316, the Assembly decided that the item entitled "Report of the Economic and Social Council" should be considered in its entirety in plenary meeting. Subsequently, it was clarified that, in implementing that decision, the relevant parts of chapter I of the report of the Council that related to agenda items allocated to the Main Committees would be considered by the Committee concerned, for final action by the Assembly (see A/59/250/Add.1, para. 4).

Report of the Human Rights Council

16. In its resolution 65/281, entitled "Review of the Human Rights Council", the General Assembly decided to continue its practice of allocating the item entitled "Report of the Human Rights Council" to the plenary of the Assembly and to the Third Committee, in accordance with its decision 65/503 A, with the understanding that the President of the Council will present the report in her or his capacity as President to the plenary of the Assembly and to the Committee and that the Committee will hold an interactive dialogue with the President of the Council following the presentation of the report of the Council to the Committee.

Conclusion of the work of the Committee

17. Bearing in mind the number of meetings allocated to the Committee, a target date of 21 November 2018 has been set for the conclusion of its work. The Committee will, however, endeavour to conclude its work earlier, if possible.
